DECISION ON ATTORNEY'S FEES AND COSTS¹

On June 12, 2020, Karen Belanger filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the "Vaccine Act"). Petitioner alleges that she suffered a shoulder injury related to vaccine administration caused by an influenza ("flu") vaccine administered on September 28, 2018. (Petition at 1). On September 15, 2021, a decision was issued awarding compensation to Petitioner based on the parties' stipulation. (ECF No. 33).

¹ Because this unpublished Decision contains a reasoned explanation for the action in this case, I am required to post it on the United States Court of Federal Claims' website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). **This means the Decision will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all section references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

Petitioner has now filed a motion for attorney's fees and costs, dated March 17, 2022 (ECF No. 38), requesting an award of \$20,416.50 for attorney's fees and costs in the following amounts:

1. the amount of \$8,852.20, representing \$8,831.40 in fees and \$20.80 in costs, for work performed and costs incurred while at her current law firm, Shaheen & Gordon, P.A.; and
2. the amount of \$11,564.30, representing \$10,559.70 in fees and \$1,004.60 in costs of work performed and costs incurred while at her former law firm, McDowell and Morrisette, P.A.

(*Id.*). In accordance with General Order No. 9, Petitioner filed a signed statement indicating that she incurred no out-of-pocket expenses. (ECF No. 38-4). Respondent reacted to the motion on March 23, 2022, indicating that he is satisfied that the statutory requirements for an award of attorney's fees and costs are met in this case, but deferring resolution of the amount to be awarded at the Court's discretion. (ECF No. 39). Petitioner did not file a reply.

I have reviewed the billing records submitted with Petitioner's request. In my experience, the request appears reasonable, and I find no cause to reduce the requested hours or rates. The Vaccine Act permits an award of reasonable attorney's fees and costs. Section 15(e). **Accordingly, Petitioner is awarded the total amount of \$20,416.50³ as follows:**

- **A lump sum of \$8,852.20, representing reimbursement for attorney's fees and costs, in the form of a check payable jointly to Petitioner and Petitioner's counsel, Shaheen & Gordon, P.A. and**
- **A lump sum of \$11,564.30, representing reimbursement for attorney's fees and costs, in the form of a check payable jointly to Petitioner and Petitioner's former counsel, McDowell and Morrisette, P.A.**

³ This amount is intended to cover all legal expenses incurred in this matter. This award encompasses all charges by the attorney against a client, "advanced costs" as well as fees for legal services rendered. Furthermore, § 15(e)(3) prevents an attorney from charging or collecting fees (including costs) that would be in addition to the amount awarded herein. See *generally Beck v. Sec'y of Health & Human Servs.*, 924 F.2d 1029 (Fed. Cir.1991).

In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk shall enter judgment in accordance with this decision.⁴

IT IS SO ORDERED.
